This transfer course sheet is applicable for applicants applying between August 1<sup>st</sup>, 2024 and October 15<sup>th</sup>, 2025.

- Students must complete both math classes and **TWO of the four science classes with a grade of C or better.**
- Students may have to complete College Algebra (MATH 1314) at their institution before taking MATH 1324 or 1325.
- College Algebra is a transferable course but **will not** satisfy the mathematics requirements in this degree plan.
- + BIOL 111 (BIOL 1406) may substitute for BIOL 107, but this would require the student to complete BIOL 112 (BIOL 1407) as well.
- ^ BIOL 2401 and 2402 are not direct equivalents for BIOL 319 and 320 but may be used for this degree.

The recommendations below represent what a typical TAMU student’s schedule looks like during the first four semesters. If working to complete an associate degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below, but this major requires or recommends specific coursework to be completed.

#### Coursework Timeline

- Competitive applicants will have the Required coursework completed by the application deadline.
- Applicants to the summer/fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for summer/fall applicants.
- Fall coursework **will not** be considered for spring applicants.
- Applicants to the spring term should have the Required coursework completed by the end of Summer II semester before applying.

#### Additional Transfer Requirements

- Students should strive to complete both math and two science courses from the list above with grades of 'C' or better.
- Students should strive to maintain a cumulative GPR of 2.75 or greater on all college courses that transfer to TAMU.
- The Kinesiology and Sport Management Department is looking for students who are interested in pursuing our degree as a focus. Students should indicate our department as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.

#### Additional Information

- Applicants should be serious about earning a degree in Kinesiology-Exercise and Sport Science as indicated by their first-choice major preference on the Apply Texas Transfer Application.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

#### Career & Educational Opportunities

The Exercise and Sport Science option is offered to students wishing to pursue careers in exercise and sport training. A solid foundation in scientific principles related to the biology of sport along with the practical knowledge in physical activity pedagogy, coaching and exercise training will prepare future coaches, strength and conditioning trainers and athletic trainers. Additional program information is available on the Department of Kinesiology and Sport Management website or by contacting the advising office in the department.

#### Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
2. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
3. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Education and Human Development at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
