2024-2025 Transfer Course Sheet
Minimum GPA | 3.0
Minimum Transferable Hours | 24
Maximum Transferable Hours | 60
Second-Choice Major Eligible | Yes
Must meet with Advisor

Required Coursework for Admission

Course Name	Hrs.	TCCNS	TAMU
Functions, Trigonometry and Linear Systems, OR Engineering Math I	4	MATH 2412/MATH 2413	MATH 150/MATH 151
Engineering Math I, OR Engineering Math II	4	MATH 2413 /MATH 2414	MATH 151/MATH 152

This transfer course sheet is applicable for applicants applying between August 1st, 2024 and October 15th, 2025.

- Students need to complete Trigonometry and Pre-Calculus (MATH 2412) at their institution before taking MATH 2413.
- Students need to complete (MATH 2412 & MATH 2413) OR (MATH2413 & MATH 2414) at their institution before they apply to the program.

The recommendations below represent what a typical TAMU student's schedule looks like during the first four semesters. If working to complete an Associate's Degree before transferring, please align your degree plan to satisfy TAMU degree requirements. You may not have to complete the coursework in the sequence below but this major requires or recommends specific coursework to be completed.

First Year

Coursework Timeline

- Competitive applicants will have the Required coursework completed by the application deadline.
- Applicants to the fall term **may be** asked to submit spring final grades, this is not a guarantee.
- Summer coursework **will not** be considered for fall applicants.
- The Visualization program will only be accepting transfer students for fall admission.

Additional Transfer Requirements

- The Visualization program is looking for students who are interested in pursuing our degree as a focus. Students should indicate our program as the primary major they are interested in if they wish to be admitted. The essay and supporting materials should reflect that the student is interested in pursuing our degree.
- Meeting minimum requirements **does not** guarantee admission. The entire record is reviewed for consistency in coursework and grades.

Additional Information

- Applicants should be serious about earning a degree in Visualization.
- Transfer applicants are instructed **NOT** to accept transfer admission to any major with the expectation of later applying for an on-campus change of major.

Career & Educational Opportunities

Visual media entertains, informs, and motivates. Students pursuing a degree in Visualization may plan on careers in areas such as game design, animation, UI/UX, AR/VR, graphic design, advertising, marketing, web/app design, and other types of careers requiring creativity and design skills. Their skill sets allow them to explore, analyze, and create visual solutions to various types of communication problems. They find the most effective way to get messages across in various types of mediums, including, print, electronic, and film media using a variety of methods, such as illustration, photography, animation, and various print and layout techniques. For more information please visit careercenter.tamu.edu.

Transfer Course Sheet Notes

1. Admission preference is given to applicants with the highest GPA and the most appropriate courses completed and **strong portfolios**.
2. Transfer applicants are required to submit an **online portfolio**. The link must be attached in the essay portion of the application. Physical portfolios will not be accepted.
3. Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#) unless specified above.
4. This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the School of Performance, Visualization & Fine Arts at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.
5. More information about transferring to the program can be found at this link: [Transfer Application Guidelines](#)
